Experience the 'DIFFERENCE'

If you buy a printer from a national store it becomes a "flat pack story" where you transport it from the store to your office and then have to unpack and fit the cartridges and then install the software on your computer.

We offer a Loyalty BONUS - buy a printer from us and we will give you

10% off

our everyday low priced cartridges for the life of the printer!

Buy a printer from Tasmanian Printer Cartridge and we will:

- Unpack the printer in our workshop
- Install the cartridge/s
- Ensure the printer has the latest firmware
- Do a test print
- Deliver to your office FREE of charge
- Install your new printer on your computer - by appointment
- Perform a final test print from your system**

** Terms and conditions apply to remote geographical locations
